

Health & Wellness Right at Your Doorstep

Freedom Home Care

The Wellness Center
at The Lodge of Northbrook

**Are you having problems with your knees or hips ?
Have questions to ask?**

Dr. Sean Sutphen from "Illinois Bone and Joint" will join us and talk about both operative and non-operative treatments for hip and knee problems.

Dr. Sutphen is an orthopedic surgeon who was "fellowship trained" in hip and knee joint replacement and complex revision joint replacement. He also treats all aspects of musculoskeletal care (fractures, arthritis conditions etc.).

**For more information
on our wellness center
and services offered
please call**
