

# STAYING ACTIVE AND LIVING WELL:

## PART 1

Join us for part one of a three-part discussion for those with disorders of the hip and knee. Learn about personalized treatments, both operative and non-operative, that are supported by the latest evidence. Discover how you can get back to your active lifestyle through evidence-based treatments and meticulous surgical techniques.

LEAD BY

**SEAN A. SUTPHEN, DO**

Board certified orthopedic surgeon with fellowship training in adult hip and knee reconstruction and total joint replacement
